These jokes definitely shouldn't be told.By KrisWhat can I say? I bought this book as a gift. I assumed it would be dirty jokes etc. I flipped to the middle of the book to get an idea of the quality of the jokes. It was one rascist joke after another. Not funny at all. Would give zero stars if that was possible. This is being returned immediately.2 of 2 people found the following review helpful. Raunchy, Crazy, Over-the-top and Funny as Hell!By Sean RobertsI got this book thinking it was going to be a re-hash of the old Blanche Knott book of the Truly Tasteless Joke series. Not only was this not the case, I almost peed myself in the first few minutes of reading. Saying some of these jokes out loud just makes it that much more funny. This book is not for the faint-of-heart. The racist jokes are out of this world and there were so many new jokes that I can't even remember them all. If like laughing and have an open-mind, this book is for you!

Unspeakable Jokes that you shouldn't tell at dinner parties or anywhere else. Volume 1. A diversion from your typical tame jokes, What did he say? cruises down the fastlane and crosses over the "line" and keeps on going. Dishing out the most horrific jokes, the most extreme side-splitting humor that we have all come to love so much. Don't deny yourself the chance to laugh like you have never laughed before as you page through raunchy jokes and racist rants. No one is off limits in this no holds barred slam-down of extreme comedy. If you love 4CHAN, you'll love this book! If you love jokes that you can't say out loud in public - this is the book for you!
