wish I had this book before having to settle my first auto claim. Lives up to its promise. Truly funny!!

Chock-full of actual quotes blurted out during the heated debate of an auto insurance settlement, "What Did You Just Say?" is a handy "how to" guide for anyone in need of the perfect zinger to help them seal a deal or anyone who just plain enjoys a good chuckle. No names have been used in association with the quotes contained in "What Did You Just Say?" in order to protect the not so innocent perpetrators! Unbelievably funny... unbelievably true!

About the Author During twenty-plus years in the auto insurance industry, Anna Miss, heard their share of moments that went awry during the heated debate of a negotiation. Often times, they themselves blurted out words of unconventional prose. No longer in the insurance industry, Anna Miss can be found neglecting a keyboard, a thesaurus, a dictionary and, on rare occasions, sleep. After all, writing is a soul's best friend. Anna Miss, prefers to remain anonymous.
