**Darrell Huckaby : What the Huck!** before purchasing it in order to gage whether or not it would be worth my time, and all praised What the Huck!:

1 of 1 people found the following review helpful. I have read several of Darrell Huckaby's columns and enjoyed his insights into southern life when he came to ...By HhhsI have read several of Darrell Huckaby's columns and enjoyed his insights into southern life when he came to speak at my church. I ordered this book as a gift for my mother-in-law, but unfortunately had to return it because of the bigoted and discriminatory language which it contained. There was a reference to "Muslim murderers" and a description of being unable to communicate with workers because "I didn't

speaking Mexican". There's a rant about the Dixie Chicks which concludes with the author's conclusion that "it will be a cold day somewhere when I'm ready to forgive the Dixie Chicks". Huckaby's hate-fueled language runs contrary to my beliefs as a Christian, specifically as a Methodist (the denomination of which Huckaby also claims to be a member). I'm very disappointed. 0 of 0 people found the following review helpful. Huckaby book By smce7030 This What the Huck book arrived in a timely manner and was well packed. This was a very good buying experience/

"What the Huck!"--the wit and wisdom of the last Southerner--is an often funny, often contemplative look at the changing life in the American South, through the eyes of educator, author, public speaker and Southern humorist, Darrell Huckaby. It is the seventh in a series of books in which Huckaby defends the South from her critics and celebrates her uniqueness. It is a must read for every Southerner--and Yankees will like it, too.
