Month Guide for the Father-to-Be, Whether He Wants Advice or Not:

0 of 0 people found the following review helpful. Great gift for the daddy of the new baby
By Amy Kincaid
Great gift for the daddy of the new baby. The original version is great so adding a book for daddy is certainly helpful. Now the problem with be to get the daddy to actually read it!
5 of 6 people found the following review helpful. Bought for my husband but ended up reading it myself! love it!
By motheroftwo77
Bought for husband because this pregnancy was my 3rd and his 1st..... and hes not much of a reader, not into the normal selection of pregnancy books. Ended up reading it myself and laughing my butt off at the same time. There is humor, yet educational facts. Also the author is sure to educate the readers on how to tend to expecting mama, insight for the expecting father on moods and emotions, how and why to be sympathetic.... and explains things in "man" terms so that the expecting father truly understands. I loved reading my favorite parts to my husband so we could both laugh. Do not recommend if you get easily offended because this is a book from a mans view so there are some parts that truth is spoken about a hormonal pregnant mama haha. Keeping definately to read with last pregnancy and will recommend to all my friends.

By Mary M. Albert
Gave as a gift as to my son to help with being a new father. Seems like he read it and is genuinely interested as a result of this gift.

Complete with weird baby names, tips on how to avoid a sympathetic pregnancy, and a discourse on the evolution of ESPN and the role it plays postdelivery, Hill's tome has been thoroughly revised to account for not only the usual father-to-be questions but also the often baffling and amusing technological and medical advances awaiting today's four million expectant dads. This hilarious month-by-month guide offers new and veteran dads solace, laughter, and a bit of useful information, including a question-and-answer chapter covering basics like "How much does having a baby cost?"; visual charts assessing such things as the breakdown behind the mom-to-be's weight gain; sidebars covering common wife complaints and anticipated purchases; and much more.

About the Author
A native of Ithaca, N.Y., Thomas Hill is a creative executive for Nick@Nite and TV Land. A veteran of Harvard, the United States Chess Federation, and fatherhood, Thomas has five children and lives with his family in Verplanck, N.Y.
