Marango Publishing : What Women Think? before purchasing it in order to gage whether or not it would be worth my time, and all praised What Women Think?:

0 of 0 people found the following review helpful. Funny BookBy Bruce WayneJust when i thought i had the key to understand women with this book, Found that this book agrees with my perception that no one can understand Women... I found this book insanelly funny because its Empty!! It would be a great gift to give some one on April fools day or even on any day to a Husband :P0 of 0 people found the following review helpful. very interestingBy MOYEON KANGThis is such a very interesting and exciting book to read! The whole book really gives me

satisfaction. This book really tells about shocking truth about women. I really love how this book was written. Very much worth reading and recommending to all readers! 1 of 1 people found the following review helpful. Different, Very interesting, Makes you think of what ...By theresa Different, Very interesting, Makes you think of what women thinks but, in your own words, in a psychological mind view.

*** The Number 1 Best Funny Gift! *** Do you know what goes on in the mind of a woman? Do you want to know their deepest secrets and desires? You'll find the answer in this book! What Women Think is a book that answers the question that has haunted and challenged men for centuries. With a deeply researched narrative and an insightful look into the minds of women of all ages, What Women Think will clarify for you, page after page after page, exactly what they are deliberating. And the facts throw up some shocking revelations about women that will leave you stunned and amazed, while also perhaps nodding your head in agreement. This is a blank book. Each page contains the same line no one knows and it makes a perfect gag gift for friends and family of any age, male or female.
