Pamela Keogh : What Would Audrey Do?: Timeless Lessons for Living with Grace and Style before purchasing it in order to gauge whether or not it would be worth my time, and all praised What Would Audrey Do?: Timeless Lessons for Living with Grace and Style:

3 of 3 people found the following review helpful. Not worth it By Terri Jo Carrier I was very disappointed in this book. I've seen it listed on many suggested reading lists and was excited to dig into a good book. This is more like a poorly

written biography of Audrey Hepburn mixed with a very biased opinion of the author who is clearly obsessed. Skip this one. 0 of 0 people found the following review helpful. Second book in the trio of books on or by Audrey Hepburn! By Miriomnibus This is one of the books that offered for a very special price! The trio of books was in honor of what would have been Audrey's 85 birthday! Buy yours while they still offer the trio. This is the best book a Mother could buy for her teenage or older daughter(s) to teach the proper ways of being a lady. I find the book much more enlightening than some of my collection of books on manners, which I bought except for my last one, which my Mother purchased because it is a totally humorous take on manners but this book would be my choice if I had daughters. It's a Mother's job to teach her children proper etiquette but why not do it the easy way with this charming book that makes Mother's work simple: just gift wrapping it upon arrival and giving it as a surprise. 1 of 1 people found the following review helpful. Great fun to read and some great advice! By Beaubelle What Would Jackie Do jumped into my arms at the bookstore a few years ago and has been one of my favorites ever since. Audrey doesn't quite come up to that standard, and that surprises me, because in many ways I admire Ms. Hepburn more than Mrs. Onassis, but it is great fun, well worth a read, and it is sitting next to What Would Jackie Do on my bookshelf ;)!

From the New York Times bestselling author of Audrey Style comes a charming guide to Audrey Hepburn-inspired living for the modern woman Audrey Hepburn epitomized grace and style, not only in her appearance but in her very essence. Whether in fashion, relationships, her work on the screen, or for UNICEF and her home life, there is no one more worthy of imitation. How did she do it? What Would Audrey Do? is the answer: a complete Audrey primer, with rich anecdotes and insight from the people who knew her best, and Audrey-inspired lessons in loveliness, including: Dating advice from the woman who enjoyed romances with John F. Kennedy, William Holden, and Albert Finney What made her an icon, and how to apply her style choices to twenty-first-century clothes, makeup, and accessories Raising children, trying to raise husbands, and making home life balanced in every way How to travel, what to pack, and maintaining your cool on the road Using renown (long before Angelina and Bono got all the press) to help others around the world Insight into her rich interior life and the discipline, intelligence, and generosity that made her so compelling In an era fraught with selfishness, flamboyance, and sensational headlines, Audrey as a role model is precisely what the world needs.

aA tongue-in-chic guide to tackling life's dilemmas with Hepburn's moxie. Oversize sunglasses not included. a "People" (Mother's Day Book Gift Guide Pick) aA delightful presentation of the life of this wonderful actress as well as a treasure trove of advice for becoming a woman of character and grace. We should all heed Hepburn's lessons. a "Library Journal" aFrom longtime fans who've seen "Breakfast at Tiffany's" countless times to those who discovered the gorgeous gamine via a Gap commercial. a] "WWAD?" offers thought-provoking and fun anecdotes, quizzes, and decorating tips, but it also contains plenty of biographical detail. a] A well-rounded read for the Audrey aficionado, or anyone who wants to live life with a bit more panache. aa "BookPage" ?A tongue-in-chic guide to tackling life's dilemmas with Hepburn's moxie.
