Fun Book By decllectic I didn't know what to get my middle daughter's partner, who works for the EPA, for her birthday, so I got her What Would Wonder Woman Do?: An Amazon's Guide to the Working World. I received the book in excellent condition and by the date promised. I recommend it to others.

Beyond saving the planet, let's not forget that Wonder Woman also holds down a full-time job. In this hilarious and

empowering handbook, the most popular female comic book character unveils her secrets for being a super hero in the office and finding your inner Wonder Woman. Ace a job interview, combat a tyrannical supervisor, move up the corporate ladder, handle office romance, and more. Pairing original comic book art with wry text, this colorful hardcover is perfect for the working girl looking to unleash her inner superpowers onto the daily grind.
