The vendor sent it on time and I am satisfied.2 of 2 people found the following review helpful. Nice JobBy R. Harteg IIIGreat golf stories brought back from all around the world. Dr. Wiren has had many experiences that are all in this book. Quotes, short stories, memories, and photo's, all of which will capture your

attention.

Golf has led Wiren to walk on the Great Wall of China, in the tulip gardens of Holland, up the Tobel in Switzerland, around the Coliseum in Italy and within the royal grounds in Denmark; to enjoy a sauna in Finland, eat sauerkraut and dumplings in the Czech Republic, teach to beauty pageant contestants in Curacao, chase dingoes in the Australian outback, sing in Singapore, taste a Sacher torte in Austria, gamble at the casino in Monaco, fish the lakes of New Zealand, dine with geishas in Japan, and sail the Mediterranean. In all of these exotic locales he has found something very familiar in the eyes of his hosts: a delight in the great game of golf. Wiren's myriad encounters with that delight provide the experiences, stories, quotes, quips, and observations that make up the content of *When Golf is a Ball*. It's an anecdote-filled mother lode of great golf lore. *When Golf is a Ball* was given "Golf Book of the Year" award by the International Network of Golf.

Everyone to whom I've given it has thoroughly enjoyed it, especially one executive who knows talent and good tales. -- Lida Fee Tingley, Amateur Champion Women's Golfer
