Steve Moore : Where Golfers Go to Buy Their Pants: And Other Collected Cartoons before purchasing it in order to gauge whether or not it would be worth my time, and all praised Where Golfers Go to Buy Their Pants: And Other Collected Cartoons:

0 of 0 people found the following review helpful. A great gift...By Jim Starrett for anyone with a sense of humor THAT also happens to be a golfer or hack. To me, Steve Moore is truly a cartoon GENIUS if you're a sports fan not reading his daily strip, "In the Bleachers" well you need too.

Steve Moore's popular daily comic strip is now featured in more than 165 newspapers across America. In this wickedly clever sequel to his two previous sports cartoon books, Moore lampoons golf from the viewpoints of spectators in the gallery, TV fans, and golfers themselves. "Hilarious".--Robert Klein, comic.
