**D. R. Novak : Who Called The Police?: Real Police. Real Drama. Real Funny.** before purchasing it in order to gage whether or not it would be worth my time, and all praised Who Called The Police?: Real Police. Real Drama. Real Funny.:

0 of 0 people found the following review helpful. Good read!By annSome of the stories are very funny! It is well written and flows smoothly. There are few stories which I didn't like much. Overall very nice.0 of 0 people found the following review helpful. Police humor at its best.By 1avidreaderComing from a police family, I learned early in life

that the best stories are told by police officers. Who Called The Police is a very funny and entertaining book. The stories will make you laugh when you read the book, and, trust me, you will laugh later when you think about them. A few of the stories are bizarre and hard to believe; but if they are true, I could see why someone wanted to write a book about them.

Who Called The Police contains riveting accounts of real life events on the front lines of policing. Each chapter encounters new characters and situations that test the commitment and dedication of author D.R. Novak and his partner, Sam, who use a special brand of humor and irreverence to fight crime. So strap yourself in and ride along, and discover the most useful weapon of a police officer is not on his gun belt-it's his funny bone.

About the Author D.R. Novak patrols the streets of a large metropolitan city in the Midwest. Spanning a 20 year career, he has amassed numerous awards and commendations in his chosen profession as a first responder.
