Using cute animals to deliver bad news is hysterical to me. I will say these are not for everyone though. I first heard about these years ago from a coworker and I loved them but I know a few others did not. So if you have a little bit of warped humor, I say buy these and hand them out!0 of 0 people found the following review helpful. Five StarsBy fieldsoflavenderFunny look. It's more like post cards, but it's a fun coffee table book.9 of 9 people found the following review helpful. Drunk secret santa giftBy SteoanKI'll be honest, I did not receive this myself. I had to buy something for a secret santa who seemed like a hipster and bought this as a joke gift when I was drinking a bit. If you love comedy, and who doesn't, go for it. My secret santa recipient seemed to get a kick out of it.
