Enjoyed "Unicorn Being a Jerk," so figured this would be worth the coin.Best part about sending this as a gift was that when it showed up at his doorstep he couldn't remember if he had ordered while drunk...1 of 1 people found the following review helpful. darkly darkBy GoldieA weird, weird book. Funny in parts, but it depends on how deviant your sense of humor is. A funny gift for those with a dark side, or for the coffee table should those people visit. Might make you feel kind of sad, esp. if you enjoy cute things like unicorns, but it has a few haha moments too.0 of 0 people found the following review helpful. Three StarsBy Brian M WiseA little darker than expected.

Unicorns are just like us. They have problems, stresses, and like to blow off some steam. Author and illustrator C. W. Moss explores the psyche of the single-horned in his book, *Why Unicorn Drinks*. A follow-up to *Unicorn Being a Jerk*, this volume of nearly 65 four-color illustrations and captions portrays the sad reality of life as a mythical creature, and reveals what drives Unicorn to the bottle. As fans of Moss' online comic undoubtedly know, *Why Unicorn Drinks* pours a double-shot of laughter and irreverence. You'll never look at a unicorn the same way again.
