Fujio Torikai : Wild Mind 1 before purchasing it in order to gage whether or not it would be worth my time, and all praised Wild Mind 1:

In the year 20XX, a town regarded as a so-called "paradise for the disabled" is realized through the use of a cell-phone application. However,the origins of that town, planned in 2016, lay in the misappropriation of a large-scale scientific

experiment. The theme of the first part is the prophecy, "It shall be known to yourself" by the Oracle of Delphi; that of the second part will be the lesson - you must not try to know - found in myths from all over the world. Based on my unusual experience, I have created this drama as a warning to this excessive information oriented society
