Ian Doescher : William Shakespeare's Tragedy of the Sith's Revenge: Star Wars Part the Third (William Shakespeare's Star Wars) before purchasing it in order to gauge whether or not it would be worth my time, and all praised William Shakespeare's Tragedy of the Sith's Revenge: Star Wars Part the Third (William Shakespeare's Star Wars):

2 of 2 people found the following review helpful. very entertaining, definitely worth purchasing. By Jan This entire series is absolutely fantastic. It is a perfect molding of Shakespeare and everyone's favorite space opera. My nephews love when i read these to them. They have the added benefit of even making jar jar bearable. I highly highly recommend this entire series to any star wars fan who also enjoys the English language in its classic form. 0 of 0 people found the following review helpful. It's the reformat that makes it awesome. Does it fix the problems from the original ... By Fezzell Let's face it, if you're buying or reading this book, you already know the story and characters. It's the reformat that makes it awesome. Does it fix the problems from the original film? No, but it does flesh out the characters more as Doescher has to find ways to resolve problems with translating a film to a stage play. This whole series of books is a total hoot! 0 of 0 people found the following review helpful. Five Stars By Customer The story from different view by changing the language.

To thine own Sith be true. Lend us your ears and comlinks for a Shakespearean retelling of Star Wars Episode III! A once-heroic knight becomes the darkest of villains. The Jedi suffer slings and arrows of outrageous fortune. The Republic falls, an Empire rises, and so begins the long wait for a New Hope. Something is rotten in the state of Coruscant! Don't miss this final chapter in the Star Wars prequel trilogy, presented Shakespeare-style with masterful meter, stirring soliloquies, and intricate Elizabethan illustrations. It's a perfect melding of classic literature and epic pop culture.

“The writing’s quite good; elaborate Elizabethan woodcuts (Chewbacca the Wookiee with a Hamlet-style medieval cap holding a Game-of-Thrones-style banner) are just icing on the cake”—The Wall Street Journal “Star Wars fans, Shakespeare fans and readers who delight in cleverness are sure to enjoy what Doescher has done with this popular story.”—Deseret News About the Author Ian Doescher is the New York Times best-selling author of William Shakespeare’s Star Wars® series. He lives in Portland, Oregon, with his family. Visit him at IanDoescher.com.
