Seeing the date helps me think about my plans for the day as I'm getting ready. The quotes are often thought-provoking.0 of 0 people found the following review helpful. The Women's Wit 2017 Mini Day-to-Day Calendar packs a lot of sass, laughs, and straight talk into an adorable little package. This calendar features a quotation each day from witty and well-known women from the present and the past. Quippy quotes from the likes of Sheryl Sandberg, Elizabeth Gilbert, Sharon Osbourne, Amelia Earhart, Lupita Nyong'o and more grace the colorful, illustrated pages on this daily calendar. The topics and tones are as varied as the women themselves. The calendar's backer includes an easel for display on a desk or counter, as well as magnets that attach to any magnetic surface, making it easy to use at home, school, or work.
