Too much sexual contentBy afrazieI ordered this book to use with kids. Unable to do so due to graphic sexual material. Consider another "Would you Rather...?" if you are looking to use with children. Since the publication of the first Would You Rather...? title in 1997, Justin Heimberg and David Gomberg have gone forth to spawn a franchise that shows no signs of slowing down or growing old. In this hilariously hefty addition to the series, the authors have created more than 1,500 all-new, never-before-published questions that will have regular readers and newcomers alike laughing out loud as they ponder the often outrageous, sometimes sinful, usually

unusual, and unfailingly uproarious questions posed.
