Would You Rather...?: Trippin' Edition continues in the series' tradition of pondering the most absurd and implausible questions imaginable. Perfect for road trips and parties, it's jam-packed with pop culture references and irreverent humor, and the thought-provoking questions make perfect ice-breakers — the responses given can provide remarkable insights into the minds of others. This pocket-size book is also an entertaining way to kill time when riding in the subway or waiting for the dentist.
