**From Univ of Wisconsin Pr : Yankee Doodle Dandy (Wisconsin/Warner Brothers Screenplays)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Yankee Doodle Dandy (Wisconsin/Warner Brothers Screenplays):

The 1942 smash musical hit Yankee Doodle Dandy has long remained a favorite among audiences and film buffs. Ostensibly the story of "Mr. Broadway"George M. Cohan the movie evolved in its making into one of Warners' trademark "biopics" and a showcase for the singing and dancing talents of James Cagney.This book includes the complete screenplay.

"A notable collection of screenplays... All reproduce the film as shot, with extensive data... [and] full production credits." - American Cinematographer"From the Back CoverMcGilligan's account of the creation of the film is filled with intriguing anecdotes and little-known facts. One of his major contributions is the attempt to unravel and describe the contributions of various collaborators to the script, some of whom were uncredited.
