Jim Gerard : Yankees Suck! The Unofficial Guide for Fans Who Hate, Despise, Loath, and Detest Those Bums From the Bronx before purchasing it in order to gage whether or not it would be worth my time, and all praised Yankees Suck! The Unofficial Guide for Fans Who Hate, Despise, Loath, and Detest Those Bums From the Bronx:

0 of 1 people found the following review helpful. Great book
By Jennifer K. I had bought this book before and gave it away. Wanted it again to re-read, it's one of those books you just need to have if you're a baseball fan.
6 of 13 people found the following review helpful. A sad attempt. Poorly written.
By JOHN GODFREY It is too disorganized to keep your attention for very long. But that doesn't matter. You can read this very quickly with half your brain. Steinbrenner is a felon. Aside from that he is a greedy grasping swine with very little knowledge of baseball. He's just better at it (rich). Very little in this book that will make a Yankee hater feel better. However, every year that the Yankees don't win the World Series is good for baseball. When the playoffs, pennant, the World Series are not brought (See the Mets this year) or won by the teams with the highest payrolls, that is good for baseball. Go parity! I paid \$0.01 (plus SH) for my copy. That's about right.

By Josh H. First and foremost let me be clear. I'm not a Yankees fan. I don't hate the Yankees, but by no means am I a fan. They're just another team to me. That said, I looked forward to a light hearted baseball book. I finally got around to reading it yesterday. Wow it is bad. This might be the most childish book, full of low blows that I've ever held. Disorganized, illogical and a steaming pile of garbage.

Do pinstripes get you peeved? Do you wish the "House That Ruth Built" would get condemned? Are you convinced that George Steinbrenner is in league with Lucifer? Then this is the book for you! Let's face it, Yankees-haters have two favorite teams: their team, and whatever team is playing against the Yankees that day. Now, the Bronx Bomber bashers have their own handbook that shows how anyone, anywhere, of any age, can hate the Yankees like a pro in no time! Full of fun facts and anecdotes from around the league—as well as helpful, easy-to-follow rituals, chants, and keys to helping every non-Yankee fan focus their rage, disappointment, and burning jealousy from opening day right up until the Yanks walk away with yet another completely undeserved World Series Championship!
