**Dawn Sokol : Year of the Doodle: 365 Drawing, Collaging, and Mark-Making Adventures** before purchasing it in order to gage whether or not it would be worth my time, and all praised Year of the Doodle: 365 Drawing, Collaging, and Mark-Making Adventures:

8 of 8 people found the following review helpful. WonderfulBy Robert C. PedersenI didn't know quite what to expect, but I love it. Both the prompts and the background are varied and interesting. I expect to do it daily. I had already been trying to to something arty every day, and this will be especially useful on those days when the muse doesn't come by.3 of 3 people found the following review helpful. I love this 365 day start where ever you want book based on the date only.By NMamzlverI absolutely love this book it not only has a prompt everyday for doodling it also let's you know what day it is if you follow the outlines. You can start it any where by knowing the present date and then every

day you doodle your drawings, which in my case then inspires me to write or draw. I am both a graphic designer and a writer. There fore doodling not only relieves tension and stress but also gives me prompts for writing. I absolutely am using it as a scrap/doodle/inspiration/writing book and it's wonderful. I love it. There are no days listed just dates so I received mine on the 15th of October and that's the day I started with, therefore every day since then I have doodled, added stickers, embelishments etc.... What a fun time, like other prompt books but just for doodling not drawing or writing but doodling, you know the thing you do when your bored if you happen to have a pen and paper handy.3 of 3 people found the following review helpful. I Just Love This BookBy Tropicalwolfl just love this book. Small enough to stuff in my bag, and stuffed full of ideas. Not a lot of pages to read to understand it. Very fun Book. I give this five stars because I like it that much.

Many people want to lead more creative lives but find it difficult to make creativity a daily exercise. In *Year of the Doodle*, Dawn DeVries Sokol solves the problem with a year's worth of interactive prompts—starter doodles, quotes, questions, and fun exercises, all on Sokol's well-loved painted backgrounds, interspersed with collaged bits of ledger, graph, and notebook paper—meant to get would-be doodlers interacting with their sketchbooks daily. Opening with ideas for jump-starting the doodle habit, *Year of the Doodle* is not linked to a particular year like a calendar—instead, a year's worth of entries are numbered sequentially so doodlers can start and finish whenever they want to jump-start their creativity.

"If you find yourself experiencing a touch of drawer's block, then turn to Dawn DeVries Sokol's *Year of the Doodle* (STC Craft/A Melanie Falick Book, 2015). This 192-page book features a year's worth of interactive stimuli, such as starter doodles, quotes, questions and exercises, in a beautifully collaged layout. You can use it as a jumpstart for your creativity or a fun way to link the prompt with what happened to you that day." --Flow magazine  
"In *Year of the Doodle*, Dawn DeVries Sokol provides a year's worth of interactive prompts--starter doodles, quotes, questions and fun exercises, all on Sokol's distinctive painted backgrounds, interspersed with collaged bits of ledger, graph and notebook paper--meant to get would-be doodlers interacting with their sketchbooks daily.
