Scott Robinson : YesTales: An Unauthorized Biography of Rock's Most Cosmic Band, in Limerick Form
before purchasing it in order to gage whether or not it would be worth my time, and all praised YesTales: An

Unauthorized Biography of Rock's Most Cosmic Band, in Limerick Form:

0 of 0 people found the following review helpful. Was expecting more limericks. The book is very thin ...By AlwaysSeekingBetterWas expecting more limericks. The book is very thin with large print spacing. Would have been a cute diversion at half the price, but thought this was too expensive for what it contains.6 of 7 people found the following review helpful. YesTales Is Intelligent And FunBy Nt, a member of Yesfans.comYesTales is both informative and enjoyable (a rare combination, indeed). It is not encumbered with ranting opinion. I found it to be punchy, poignant and colorful ... a lively account of three decades of Yes. And the Limericks are hilarious! I have been a Yes fan for many years, and love all eras of Yes music. A Yes fan of any era would really enjoy this book, and any real Yes fan will know that says a lot! Three decades is a lot of music, and very distinctive eras. I loved it!3 of 5 people found the following review helpful. YesTales Is Intelligent And FunBy Nt, a member of Yesfans.comYesTales is both informative and enjoyable (a rare combination, indeed). There has been no more influential or enduring force in the history of progressive rock music than Yes. From their hit songs "Roundabout" and "Owner of a Lonely Heart" to classic albums like *Fragile*, *Close to the Edge* and *90125*, Yes has innovated its way inexorably into rock history. And the drama of the band's 30-year history surpasses even that of the music. Rock music critic Scott Robinson turns the history of this most revered band on its ear by telling it in the most irreverent of forms - the limerick.

From the PublisherThere has been no more influential or enduring force in the history of progressive rock music than Yes. From their hit songs "Roundabout" and "Owner of a Lonely Heart" to classic albums like *Fragile*, *Close to the Edge* and *90125*, Yes has innovated its way inexorably into rock history.
