Vern : Yippee Ki-Yay Moviegoer!: Writings on Bruce Willis, Badass Cinema and Other Important Topics before purchasing it in order to gauge whether or not it would be worth my time, and all praised Yippee Ki-Yay Moviegoer!: Writings on Bruce Willis, Badass Cinema and Other Important Topics:

2 of 2 people found the following review helpful. Ho Ho Ho. Now i have TWO books by Vern. By Customer I originally thought this was another SEAGALOLGY, just devoted to Bruce Willis instead of the world's puffiest martial artist (hey, you get older, you gain weight. He'd still kick the @\$\$\$ of a dozen of me). But he collects a bunch of his reviews, a couple of them about truly disturbing films, and gives you his honest opinion. Most fun movie reviewer since JOE-BOB GOES TO THE DRIVE-IN... 0 of 0 people found the following review helpful. It is great to have a collection of his more memorable writings. By Simon Watts I've been reading Vern on his Outlawvern.com site for years. It is great to have a collection of his more memorable writings. His unconventional style inspired me to write about film. 0 of 0 people found the following review helpful. Good bathroom book. By Edward Chang. Movie reviews with comical insight. short digestible sections make for ideal bathroom reading. I was expecting more insightful analysis linking the films to pop culture or pop psychology, for example an analysis of "Die Hard" and society's perception of american vs. european masculinity but this book does not dig that deeply.

With the hilarious instant cult classic *Seagalogy: A Study of the Ass-Kicking Films of Steven Seagal*, Vern wrote a book that shook the very foundations of film criticism, broke their wrists, and then threw them through a window. Now hes back, and this time hes got all of the films of badass cinema in his sights... From *Die Hard* to *The Discrete Charm of the Bourgeoisie*, *Transformers* to *Mary Poppins*, Vern has an opinion on everything, and hes not shy about sharing them...

"Yippee Ki-Yay Moviegoer! Writings on Bruce Willis, Badass Cinema, and Other Important Topics' is a 4.5 out of 5. Run out and pick this one up as soon as you can!" --Icon vs Icon "Vern's enthusiasm will rekindle your love for movies" --Nerd Approved.com "[Vern]'s book gives the reader a well-rounded look at what it means for a film to be badass. More importantly, though, he gives a refreshing take on film criticism for which many movie fans will be thankful." --Playback STL "If, like me, you're a fan of low-budget cinema and the b-movie genre then I heartily recommend you pick up a copy of *Yippee Ki-Yay Moviegoer: Writings on Bruce Willis, Badass Cinema and Other Important Topic*, you won't regret it." --Blogmatic 3000 About the Author As a frequent writer for *Ain't It Cool News* and the author of *Seagalogy: A Study of the Ass-Kicking Films of Steven Seagal*, Vern has gained notoriety for his unorthodox reviewing style and his expertise in "the films of Badass Cinema." His review of the slasher movie *Chaos* earned him a wrestling challenge from its director; his explosive essay on the PG-13 rating of *Live Free or Die Hard* prompted Bruce Willis himself to walk barefoot across the broken glass of movie nerd message boards to respond. Guillermo Del Toro, the director of *Pan's Labyrinth*, called Vern "a national treasure."
