Pretty easy, because you can scroll down to your choice and choose it and it will send you to the page you chose. Not in this book. This book just tells you the page number to go to, which as we know on the kindle, there are no page numbers. Basically, this book needs to be recoded, because it

doesn't work. What a waste of money! Don't buy it!4 of 4 people found the following review helpful. Super Fun(ny) Book!By John LammWhen I was a kid, I LOVED Choose Your Own Adventure Books. I think my favorite was the one with the Time Machine. So when i found out that there was one for Jesus, it was a must read. The book is really funny but seems to be based a loosely on actual stories from the Bible, with a lot of comedic twists. It's pretty crazy seeing such a comedic spin on characters I've been reading about since I was very young.I'd recommend this book to Christians and Non-Christians alike, anyone who likes Choose Your Own Adventure Books, or just people who want to giggle to themselves. I've already done three different adventures!Also, the Ebook works just fine on my Kindle.2 of 2 people found the following review helpful. Fun Bible Kitsch!By Shyla HurayThis book is tasty fun reading! While you don't have to be a biblical scholar to enjoy the Christ's wacky choices and tales, I am a comedian and my husband is an episcopal priest so this book was delightful to share. I think it would make a great gift for the guy or gal in your life who has a action-figure Jesus or loves religi-kitsch.

Journey back in time to the faraway Biblical land of Palestine in thirty-something A.D. Experience the greatest story ever told from a unique perspective in this religious parody of a children's game book for adults. In *You Are the Messiah!*, take a humorous and irreverent journey through the life of Jesus Christ - the lives he touches, the miracles he executes, and the roads he travels during the most tumultuous period of his life - from the clumsy beginning of his ministry, to the development of his fabled miracle-working powers, and ultimately, to his tortured sacrifice on the cross as he struggles with becoming humanity's unlucky savior. Turn the page, but watch out! The choices made at the end of each plot point can either further the story along the correct path, lead to crazy side stories, or end in a comically brutal death-or much worse. Along the way, you'll get to answer the question: What should Jesus do?
