He has to work with a few people like those in the book - the princesses and rock stars. No, not everyone can be anything they want. There has to be talent an effort. Sorry, we're all not superstars. Love it!0 of 0 people found the following review helpful. "Sharp, Funny, and Extremely Witty!" -S. Ghaffarian "Not only a completely hilarious idea, but so fantastically executed. This will be a permanent fixture on our coffee table!" -Greg C. "I need to get this book for everyone in my life who has kids. Because it's brilliant." -N. McBride In an age where people are babied and told, You can do it! Never give up! Just believe in yourself!, You Can't Be Anything gives it to you straight. Life is hard. Most of your dreams are out of reach. Might as well laugh about it! Satire and cynicism draped in rhyming verse and adorable illustrations, You Can't Be Anything is a wolf in sheep's clothing... a "children's book" for adults that will make you howl.
