Wonderful for Bridal Party!By FlowermaidenI love this book! I included them in a gift package for my Maid of Honor and my 2 Bridesmaids. They have great pictures and I laughed out loud when I saw some of the dresses. A great gift for a bridal party, however it isn't the type of book that I would buy to put on my bookshelf. Not bad for the price and it will brighten someone's day!0 of 0 people found the following review helpful. Perfect bridesmaids gift!By cupofJoCoBought these for my bridesmaids. Told them to pick out one of these dresses. Such great options to choose from! They thought it was hilarious!

Being a bridesmaid is one of the greatest honors a dear friend can bestow. But actually wearing the dress the bride picks out? That's the true test of friendship. You Can Wear It Again pays loving tribute to fifty years of bridesmaids' dresses, as featured in real-life weddings. The product of both fashion trends and the bride's whims, bridesmaids' dresses may take the form of medieval costume, complete with wimple; slip dresses with real feathered wings to transform maids into true angels; or the ruffled peach taffeta with puff sleeves that so dominated the 1980s. Whatever the look, you can be sure it's been in and out of fashion more than once. Some lessons are never learned. The perfect gift for current and former bridesmaids, You Can Wear It Again isn't just a showcase of bridal fashions, but a testament to the selfless women everywhere who help the bride's dreams come true.
