W. Asbury Stembridge : You Know It's Time for a Second Opinion When: The Official Instruction Book for How Not to Choose Your Doctor before purchasing it in order to gage whether or not it would be worth my time, and all praised You Know It's Time for a Second Opinion When: The Official Instruction Book for How Not to Choose Your Doctor:

The official instruction book for how not to choose a doctor is laden with fun testimonials and light humor, embellished by cartoons. A fun waiting room purchase, this dramatizes and lightens the medical world. -- Midwest Book
