From Summersdale Publishers : You Know You're a Computer Nerd When.... before purchasing it in order to gage whether or not it would be worth my time, and all praised You Know You're a Computer Nerd When....:

If you can't remember a time when a mouse was a mouse, "Windows" were something you looked through, and "Excel" was when you were good at something, you are officially a computer nerd. Whether you are a fully-fledged nerd or just a little addicted to e-mail, you will no doubt recognise yourself in at least a few of these comic definitions of computer nerdidge.
