This book is exactly what every parent needs to read. Biz and Theresa have done a fantastic job being inclusive of all families, no matter how they're formed, and if hitting all the universal parenting truths that some people are afraid to admit. The book is funny, heartfelt, and absolutely spot on about the highs and lows of parenting. I'm a huge fan of the One Bad Mother podcast and am thrilled to see Biz and Theresa's message take book form. We really are doing a great job, even when it feels like all we're doing is surviving until bedtime. I'm heading back to work from my second maternity leave in two

weeks and I've already decided to take this my office to flip through again when I'm pumping. Because that's definitely a time to remember I'm doing a great job. I'm also ordering another one to give my newly pregnant sister in law. 1 of 1 people found the following review helpful. My new favorite gift By Erin T. Love this book. Each page is just enough to give me the trophy no one saw I earned. I laughed with almost each page, shouted "truth!!" At other pages and wanted to post 20 or so on Facebook just to share! Instead, I just bought 14 books and mailed them to my favorite mammamas. Buy for yourself, or buy as a gift, but don't pass this one up! 0 of 0 people found the following review helpful. Funny and uplifting -- what you ACTUALLY want to read as a soon-to-be, new or current parent By Megan Tischner I find so many parenting books anxiety inducing -- watch out for THIS, don't do THAT, make sure you're doing everything JUST RIGHT. But "You're Doing A Great Job!" is nothing like those books. It's filled with humor and honesty about the realities of parenting and being a parent in this day and age. After reading this book, you really will feel like you're doing a great job at being a parent. A must-read for anyone who is a fan of the One Bad Mother podcast.

Stop feeling like sh*t for being a mom? laugh-out-loud affirmations for every parent Guess what? This “parenting book” is not designed to make new parents feel bad. Authors and co-hosts of the popular comedy podcast One Bad Mother, Biz Ellis and Theresa Thorn, know firsthand that raising kids is tough. They also know that, most likely, parents are winning more than they’re failing. This book reminds parents that it’s okay to have a low bar. Celebrate what did happen, not what didn’t, including gems such as: Did you get up this morning? Great! You’re doing an awesome job! Your kid fell asleep? Even if it was just for two hours, that’s amazing. Good job! Has your kid eaten? That’s probably your doing, so yeah, you’re a winner! The perfect gift for the growing family, *You Are Doing a Great Job!* is the much-needed reminder to screw all expectations and advice. It belongs on the shelf next to *Go the Fu*k to Sleep* and *Let’s Panic About Babies*. Or better yet, tear out the pages and hang them up.
