If I do commit to actually reading an entire book, it typically takes many months to complete (and my completion rate is probably about 10%). This book is the exception for sure! Within the first few pages, I was in tears, from both laughter and heartfelt sentiment. Each story was so genuine; I literally felt like the book was written specifically for my consumption and ultimate enjoyment. The Satellite Sisters (and the next gen) are as relatable in this book as they are in their weekly podcasts. They have given me a newfound appreciation for all of the female relationships in my life. I have only been a part of the sisterhood for less than a year and I can say with utmost conviction that I will be a member for life! So I just wanted to say thank you, Satellite Sisters, for this wonderful treasure and my changed perspective on the value of sisterhood. This book will be a "must give" on all of my gift-giving lists this season!5 of 5 people found the following review helpful. Friends really are the best!By KchrisOur friends add so much to our lives. They make our good times great and our bad times not so hard. This wonderful book shares several essays on friendships, some will make you giggle and some will make you want to stop and call your friends to say "thank you." Do yourself a favor and read this book. Then buy several for all your friends!2 of 2 people found the following review helpful. You're the Best is a fun to read, feel

You're the Best is a wonderful collection of essays about sisterhood and friendship. Whether you have real sisters or a friendship sisterhood, the stories will make you smile. The writing is clear and pure and colorful. I enjoyed every page of this book. I could relate, in some way, to each of the pieces that make up the book. It will make a great gift and I am eager to share it with my sisterhood.

From the introduction:
I owe you for that night at that dive bar on our road trip. I should not line dance under the influence, and I think we both know that now. I owe you for letting me borrow that really expensive evening clutch with the feathers. I had no idea puppies liked feathers. I owe you for that really poor financial advice I gave to you. It was loud on the subway, but I thought I heard that guy in the suit say, "Buy Enron." I owe you for Brad. Let's not talk about him ever again. You're smart. You're funny. You text just the right amount. You're the one person who tells me about the thing in my teeth without sounding just a little bit superior. You're the best. You're the Best is a thank-you note to female friends, the women we call when the best things in our lives happen—or the worst. Written by two generations of Satellite Sisters, this beautifully packaged hardcover book explores how we rely on our friends to get us up, get us going, get us through, and, most importantly, get us laughing. It makes a superb gift for friends, sisters, mothers, daughters, and granddaughters. The Satellite Sisters—Julie, Liz, Sheila, Monica, and Lian Dolan—are five sisters who believe that a sense of connection is what gives meaning to our lives. The Dolan sisters created Satellite Sisters first as a nationwide radio show and website. Now, the Satellite Sisters connect with a blog, a podcast, books, personal appearances, and social media; joining them regularly are their cadre of twenty-something nieces. After winning twelve Gracie Allen Awards for excellence in women's media, they still have plenty more to say.
