I'm from the middle of nowhere so I knew some of these already but some of them had me laughing so hard I was in tears! 0 of 0 people found the following review helpful. Cute book, perfect gift for G.R.I.T.S. Girls raised in the South! By ArlisaHearts This is a great gift for someone who has "everything", but needs a laugh at some great southern charm, humor, and true reflections. I also have the calendar and other book "Butter my butt and call me a biscuit" which I love and gave as a gift. 0 of 0 people found the following review helpful. Five Stars! By Robert H. Winn FUN !!!

From the authors of the popular Butter My Butt and Call Me a Biscuit calendar series and book, here's a fun, warm-hearted collection of about love and marriage, romance and heartbreak country sayings, so-sos, hoots and hollers about love and marriage, romance and heartbreak. More fun than a lost dog in a meat market and livelier than a puppy with two tails, You're the Butter on My Biscuit! is a hilarious chronicle of country love commentary. It features sayings that are as tender and sweet as honey-dipped chicken wings for those smitten by Cupid . . . and as fiery and spicy as horseradish-laced chili peppers for those seeking revenge over a romance turned sour. Readers will appreciate the way country folk paint their sentences about love in the most vivid and original analogies, sew simple words of emotion together into tapestries of truisms, and pepper their language with zesty wit and biting rage. You're the Butter on My Biscuit! is chock-full of country sayings, jokes, poems, and song titles about finding love and losing it. This is the kind of book that readers will relish till the cows come home.

About the Author Gene Cheek, a born and bred Tar Heel, lives in Swannanoa, North Carolina.
