Not very effective because it makes me even more anxious to go. 0 of 0 people found the following review helpful. A Satirical Intro to the UP By CatchTheWind I purchased this prior to my trip to the UP, and enjoyed it immensely. Although very short, it is a truly hilarious look at the quirks of Michigan's UP! The author has written a sequel ("You Still Wouldn't Like It Here"), which I hope is as charming and funny as this one! 7 of 7 people found the following review helpful. It's a Hoot! By Rusty This book would be best enjoyed by a person who has lived in the UP. (not necessarily a native Yooper but the stories ring a bell with someone who has spent some time there, I loved it.

Chambers of Commerce won't be giving this book away any time soon! A high-spirited, humorous look at a special land and the challenges of living in a remote region with more trees than people, long winters, and two-track roads. Visitors are warned about the climate, insects, wildlife, local residents and other potential "dangers." In a more serious epilogue, the author asks that visitors tread gently on the land and fold themselves into the Upper Peninsula way of life that its residents hold dear. Illustrated with regional map and 12 black/white drawings.
