We met with Jeff Ritter, and he is an great person, very dedicated to his profession. The book is very entertaining, easy to read and full of interesting and funny stories of teaching our young children how to golf.. A must read!!!

Jeff Ritter tells a humorous collection of tales sure to add inspiration to your game and your life! These true stories deliver the valuable life lessons within the game in a manner never before seen in the world of golf. As you read about "The Duck of Death," "Squirrel Boy," and yes.....a kid who really ate a divot, you will experience a newfound enthusiasm for the game and the uplifting messages a life on the links brings!
