Barbara Dahlgren : Zorro and Me: Adventures with a Masked Man and a Sword before purchasing it in order to gage whether or not it would be worth my time, and all praised Zorro and Me: Adventures with a Masked Man and a Sword:

0 of 0 people found the following review helpful. I enjoyed your bookBy CustomerI enjoyed your book, Barbara. Zorro baptised me in 1980 in Sommerset, KY. I am 83 and with Gods help still going strong.Still think of you both with love. Corine Bell0 of 0 people found the following review helpful. Such a fun readBy SchottsieMy husband came

into the room asking what exactly was going on ... he had heard my very loud laughter and had come to investigate. He had to wait until I dried my tears and regained such semblance of control before I could tell him about one of Zorro's escapades. Then I read a few short chapters aloud and enjoyed hearing him laugh out loud as well. Seeing the world, marriage, children, and God through Barbara Dahlgren's eyes is simply a delight! Hopefully, Zorro and Barbara will have many more wonderful years of laughing together. 0 of 0 people found the following review helpful. Laugh out loud funny! By D. M. Davis So funny I had tears in my eyes! Life in this family is anything but boring. Barbara's sense of humor and perspective on life are a model for us all. Learning to laugh at what life throws your way is a valuable skill - and great book material, too!

Real stories about real people, that's what you get with Zorro and Me. Throw in a sprinkling of humor and you'll find yourself shamelessly laughing at their predicaments, messes, and sometimes tough situations. Barbara Dahlgren and her wonderful husband, known by many as Zorro, may seem larger-than-life, but they are just real, down-home people like you. Their slap-your-knee, double-over-laughing stories will make you wonder how they've survived all these years. One word can sum that up: laughter Zorro and Me takes a candid and conversational look at how to learn to laugh at yourself through even the toughest times of life. This valuable insight was gleaned by this charming couple while pastoring churches for more than forty years in Florida, West Virginia, Kentucky, Washington, Michigan, and California.
